

Dear Helen,

I wanted to thank  
you so much for sending  
me the frilly party dress!  
It has a lot of character  
doesn't it?!

Unfortunately I won't  
be able to wear it to  
school - I got to thinking  
that I must not have  
told you that this

50's day dress-up affair was  
for a school activity and not  
an after-hours party (too bad  
for me as it would be perfect  
for an adult get-together).  
I'm sure the kids would get a  
kick out of seeing me in it  
but the principal would  
really frown on my being  
so exposed! (It would be  
my luck to have to meet a  
parent that day, too - as grades  
have just gone out.)

But I just want you to  
know how much I appreciate  
your take time to look for a  
"costume." I'll send the dress  
back this weekend.

Hope to see you soon. Love,  
Vicki
